KIRAN RAI

Gohpur Assam India | raikiran925@gmail.com | raikiran.me

EDUCATION

Bachelor in Technology | Kaziranga University   Aug 2019 - June 2023
- Studied core subjects of computer science
- CGPA - 7.7/10

High Secondary Education | JNV Longding   Sept 2017 - June 2019
- Percentage - 7.4%

Secondary Education | Govt High Secondary School | Itanagar   June 2015 - Aug 2017
- CGPA - 10/10

PROJECT

- **Automate emotion analysis of textual comments and feedback**   July 2022 - present
  work with 40,000 datasets to build a machine learning model for emotional analysis of the textual comment and feedback.

- **Online Ludo Game**   Jan 2022 - feb 2022t

  Develop a 2 player online ludo game with all functionalities which provides a real-time experience for the user. link - https://admiring-bardeen-94eb7a.netlify.app/

- **My portfolio | website**   oct 2021 - oct 2021t
  Build my portfolio and deployed it with the help of the GitHub page.
  link - raikiran.me

- **Qudaratic solution | website**

  Build a super simple and useful quadratic solution website with the help of python, streamlit, and deployed it with Heroku, which finds the solution of the quadratic equation,
  it also handles the complex solutions. link - https://solution-quadratic.herokuapp.com/

- **Online quiz**

  Build this online quiz system where anyone can test their programming knowledge.
  tech used - html, css,js . https://bit.ly/3zqVG4V

- **Login system**
  Build a simple login and sign up system using php, mysql and xampp.

SKILLS

- Python programming
- Java
- Javascript
- problem solving
- MongoDB
- Html and Css
- React
- Git and Github
- C programming
- Express

EXPERIENCE

- web developer lead (GDSC KU)
- TCS Ion remote internship
  study and analyse 40,000 datasets to find the emotional pattern of the textual comments
- Participated in a hackathon organized by Hack The League
  Design and develop the frontend of the shizen website.
- Participated in Coding Ninja IICC coding challenge
- Worked as a teacher in a school during summer break where I taught maths
  to class 5 and 3 students.
- Organized a donation camp for fire victims, Rs 25,000 sent for the help.
- Vice President of the college coding club
  leading and helping almost 1000 students in their coding journey.
